▼ *YOUR STORY BEGINS ...*

The Andaz London Liverpool Street historic building dates back to 1884, providing a unique London wedding venue with both modern and classic Victorian interiors. Located adjacent to Liverpool Street station, and on the fringes of Shoreditch and Islington, our East London hotel and its surroundings are brimming with creative inspiration.

On such an important day, our role at Andaz is to make your everything run seamlessly, while catering to your personal style and budget. We offer a bespoke and personalised service throughout the lead up to your wedding day with a dedicated Wedding Manager on hand every step of the way. We can be involved as little or as much as your preference, able to assist with everything from the menu selection and flowers through to the wedding cake.
