At Leonda By The Yarra, we believe that food brings families together, and as such our menus are of the highest quality we can offer our guests. Any menu can be customised to be appropriate for a lunch or dinner event, and we love nothing more than working with our clients to make the menu suit their event and their guests.

Please see adjacent some of the menu options which would be available to you, if you choose to hold your wedding with us.

### Indian Banquet Menu

This more traditional option is perfect for those who want to stay true to their heritage, but still incorporate the Leonda, modern element to the day. Comprised of canapés on arrival followed by a 3 course menu designed to share with those on your table, it is filled with traditional dishes and flavours and is sure to please all your guests. This menu can also be offered as a fully vegetarian meal.

### Western Wedding Menu

The Leonda By The Yarra wedding menu has been artfully created by our team of experienced chefs, and takes its inspiration from traditional European styles of cooking, with a modern twist. To ensure that no guest goes home hungry, we have substantial portion sizes, and all main courses are served with side dishes to your tables, as well as a replenished bread service. This menu comes with our chef's selection of canapés on arrival, followed by either a 3, 4 or 5 course lunch or dinner.

### Fusion Banquet Menu

For those who have a lot of different personalities to please, or who wish to embrace both sides of the Leonda kitchen team's expertise, we can offer an exclusive Western and Indian fusion menu for your big day. As this menu would be custom designed by our kitchen team, please speak to our Event Executives about this as an option, as we don't have a sample menu to show you. This option would be 100% unique to your day.

### Extensive Beverage Packages

Leonda By The Yarra offers three tiers of beverage packages for you to choose from when selecting your wedding beverages, as well as an extensive cocktail and spirits list. All beverage packages can be tailored to be non-alcoholic if you wish, and we also allow complimentary BYO of spirits (one bottle per table) if this is something you know your guests would enjoy.

### Morning or Afternoon Tea

If you're wanting your guests to be well fed throughout all your ceremonial moments, we are happy to customise a morning or afternoon tea menu to be added alongside your lunch or dinner menu service. This will ensure your guests are well looked after, so you can relax and enjoy the big day.
